JUNE 15 - AUGUST 3, 2024

From June 15 to August 3, 2024, LightHawk will launch a groundbreaking mission: **50 Conservation Flights in 50 Days.** Over 50 days, we will conduct 50 conservation flights with partners, highlighting some of the most urgent conservation issues across the country.

We need your help to make this ambitious goal possible. Thanks to a generous \$100,000 matching gift, your sponsorship would play a crucial role in leveraging this match, doubling the impact of your contribution.
